VOLUNTEER SHOWCASE
GAVIN HARRIS
PRODUCTION & WORSHIP

Gavin is a rock star both on stage and backstage, and does not need a microphone to be heard; he loves singing loudly and worshipping God. Gavin stepped up in serving on production as an audio engineer almost from his arrival at Story City, and we thank him for his faithfulness to serve.

THANK YOU GAVIN!

NOTE FROM OUR PASTOR

Happy Women's History Month! We are so grateful for all the women in our church and the way they make Story City the church it is. We wouldn't be able to fulfill our mission and purpose without you!

Easter Sunday will mark kick off a new service time going forward. As we look to unity and care for our people, we believe the best way to accomplish it in this season is to bring everyone together in one service. This will help build healthy community and better care for our volunteers. The new service time will be 10 am every Sunday. Again, this will begin on Easter Sunday. Don't forget we also have a Good Friday Service!

Second, we will hold a family business meeting on March 17th after second service. Please be sure to join us to install the new Elders, and vote on the updated bylaws.

Next, For those that may not know our Assistant Director of City Kids, Laura Hood is moving on to her next phase in life and is stepping away. Please help us shower her with prayers, love and appreciation as we send her off on Sunday March 10th.

Also, we've hired Kaycee Bales as the new church Executive Assistant. Please help us welcome her into her new position.

Lastly, Story City will be moving back to only one service beginning in April at 10am. All City Kids classes will be available during our new service time.

PASTOR'S WIFE
APPRECIATION MONTH

This month is Pastor's Wife Appreciation month. We wanted to send a very special thank you to Monique Osselaer and Kimberly Haag!

Story City is grateful for both of these amazing and godly women. Their joy for our church and care for our Pastors and church family is apparently everyday. Please help us celebrate both of them this month and let them know how much you appreciate them.
